## Technology Registration Form

Students wishing to use a tablet, kindle, nook, or other digital device for reading must have their devices registered with the assistant principal in accordance with our cell phone/electronic devices policy.

Students and parents must agree to the following terms in order for the student to be allowed to bring and use their device at school.

1. Student devices are **not allowed** to access the JCPS wireless or JCPS guest networks or through any data service during the school day.
2. Students are not permitted to use their devices for any other purpose but reading at designated times or an activity in which the teacher has granted permission.
3. Students may not use their devices to record video or pictures.
4. Students may not use their devices to communicate with other students.
5. Student use of technology must adhere to the JCPS policies regarding appropriate use of technology at all times.
6. The teacher is in control of the activity in the classroom and will make decisions regarding when and how the technology will be utilized in the classroom.
7. Student is responsible for their device at all times. The school does not accept any responsibility if the device is broken, lost or stolen.
8. Electronic devices are not a required part of our academic program. Students electing to register and bring a device do so at their own risk.

**I agree to the terms of this agreement and know that if I violate them my device will be confiscated and held in agreement of the school technology policy.**
